

WHAT AFGHANISTAN LIBRE WILL DO

Build the capacities of the most vulnerable individuals and communities

Advance gender justice

Remove barriers to girls' education and to women's rights

Learn, adapt, and communicate

Amplify local voices and aim to achieve change at scale

OUR OUTCOMES

EDUCATION

- ▶ Learning conditions are safe, nurturing, empowering, and foster innovation
- ▶ The capacities (including scholastic and socioemotional capacities) of girls and teachers to achieve a quality standard of living are reinforced
- ▶ Girls' right to education is guaranteed and gender justice is advanced
- ▶ Children under 6 develop cognitive and socioemotional skills

WOMEN'S EMPOWERMENT

- ▶ Women and adolescent girls have the highest attainable standard of sexual and reproductive health and rights
- ▶ Women's and girls' psychosocial well-being and mental health are improved and they have the capacities to maintain well-being in their contexts
- ▶ Women are self-sufficient and their livelihoods are improved and sustainable through safe, dignified, and decent work

BRIDGE BUILDING

- ▶ The social support systems and larger communities of women and girls support and uphold their rights, protection, well-being, and empowerment

OUR VISION

COMMUNITIES AND THEIR MEMBERS ARE RESILIENT AND INVARIABLY UPHOLD AND PROTECT THE RIGHTS AND EMPOWERMENT OF WOMEN AND GIRLS IN THE FACE OF UNCERTAINTY, SHOCK, AND CRISIS.

Commit to the development and protection of human rights

Take ownership of projects (communities) and bring them to scale (institutions and systems)

WHAT AFGHANISTAN LIBRE WILL ENCOURAGE COMMUNITIES AND LOCAL AND NATIONAL INSTITUTIONS TO DO
